

Circular No.: NeSL/DDE/2026/0240

Date: 17th September 2026

Extension of Release Date for Withdrawal of e-BG Request Feature

Kind Attention: Bank Users and e-BG Beneficiaries

This is with reference to [Communique-236-Withdrawal-of-e-BG-Request](#), dated 25 May 2026, wherein NeSL had announced the introduction of the **Withdrawal of e-BG Request** feature with a proposed release date of 31 July 2026.

NeSL has been interacting with participating banks regarding the implementation of the requisite changes in their systems to support the aforesaid feature. It is understood that a few banks are yet to complete the necessary developments and testing required for handling withdrawal requests through the Notification API.

Considering the feedback received and with a view to ensuring a smooth and uniform rollout across the e-BG ecosystem, NeSL has decided to **extend the release date of the Withdrawal of e-BG Request feature from 31 July 2026 to 31 October 2026**.

Banks are requested to utilize the extended timeline to complete the required system enhancements, testing, and operational readiness activities. All banks are advised to ensure that their systems are fully prepared to receive and process withdrawal requests through the prescribed API specifications and workflows on or before **31 October 2026**.

Beneficiaries operating through the NeSL e-BG Portal will continue to be able to avail the functionality upon implementation of the feature, while API-enabled participants should coordinate with their respective technology teams to ensure readiness within the revised timeline.

The API specifications and requirements communicated under Communiqué #236 remain unchanged. Banks yet to complete the implementation are requested to accord priority to the matter and notify their readiness status to their respective NeSL Relationship Manager upon completion.

For further information, please contact your Relationship Manager. For general queries, write to ebg@nesl.co.in and for technical support contact dde-prod-support@nesl.co.in.
